Carnebello Beef Tail

Dog Snacks

Feed material for dogs

Eggersmann Carnebello Beef Tail is a natural, pure chewing snack which is highly digestible and offers a nutritional rich complement to your dogs´ daily meal. It naturally includes cartilage and the small, not splinting bones of the tails, causing a high mineral content which supports your dogs joints effectively. As no additives are used in our dog treats and it is a single source protein product, you can feed it without risks to sensitive dogs. Our Carnebello Beef Tail provides a long lasting chewing experience while it is helping to keep your dogs teeth clean. Due to the carefully drying process of our Beef Tail, it is characterized by a high protein and mineral content. Your dog will love to chew Carnebello Beef Tail as a tasty and healthy chewing treat.
