Carnebello Beef Scalp

Dog Snacks

Feed material for dogs

Eggersmann Carnebello Beef Sculp is a natural, pure chewing snack which is highly digestible and offers a nutritional rich complement to your dogs´ daily meal. As no additives are used in our dog treats and it is a single source protein product, you can feed it without risks to sensitive dogs. Our Carnebello Beef Sculp provides a long lasting chewing experience while it is helping to keep your dogs teeth clean. Due to the carefully drying process of our Beef Sculp, it is characterized by a high protein and mineral content. Your dog will love to chew Carnebello Beef Sculp as a tasty and healthy chewing treat.

Feeding recommendation:

Our Carnebello Beef Sculp is no complete feed for daily use, but you can offer it several times per week to support the dental hygiene of your dog.
Please don´t forget to offer enough fresh drinking water and even if beef sculp is generally considered safe, never feed without supervision, to ensure your dog doesn´t swallow the whole last bit and choke.

As we are offering a completely natural product, the chews can vary in colour, form or size.
